

The Future of Open Banking

Tuesday, 17th September 2024

Venue: [Squire Patton Boggs, 60 London Wall, London EC2M 5TQ](#)

Start: 9.15am registrations for 9.45am start

This meeting of the FPF will consider the future of Open Banking. A great deal has been built and achieved so far, and the world is once again looking to the UK to lead the way to the future of payments. However, more needs to be done to liberate the full potential of the service and make it a competitive alternative to the dominant payment schemes.

Our speakers for this meeting come from a broad range of businesses and perspectives and will provide an holistic view of the challenges that lie ahead for Open Banking.
